

TODDY®

TODDY® ARTISAN

small batch cold brewer

Invite the cafe into your kitchen. The **Toddy® Artisan** makes it simple to cold brew delicious coffee and tea, pairing pure cold brew function with a modern, minimalist design.

With the versatile Artisan, you can enjoy cafe-quality cold brew at home. Try out new specialty coffees, fine-tune your recipe, or keep a batch brewed and ready for some improv cocktail/mocktail sessions.

Cafe-quality cold brew... at home

Premium laboratory-grade materials showcase each coffee's unique character and flavor profiles - in a modern, minimalist form that won't monopolize valuable counter space.

- **One tool, many uses**

Explore new coffees and teas, fine-tune recipes, or keep a batch ready for cocktails or mocktails.

- **Practical small batch brewing**

Brew up to 17 oz. (500 mL) in a convenient container that tucks into most refrigerator doors.

- **Brew cold, serve hot**

Enjoy cold brew over ice or add steaming water for a more traditional cup.

1

Pour ground coffee and cold water into the filter inside the brewing vessel.

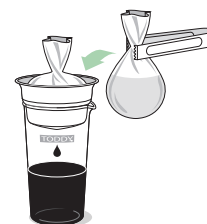

2

Cover and steep for 8-24 hours.

3

Place the filter basket into the brewing vessel and then set the filter into the basket to drain.

INCLUDES

- ▶ Brewing vessel
- ▶ Silicone lid
- ▶ Filter basket
- ▶ Tongs
- ▶ 12 compostable paper filters
