

All of our cleaning tablet range has been tested on the machines for effective and safe cleaning.

All tablets are NSF certified to be safe on all materials and suitable for use with food and beverage equipment.

NSF Protocol for Health Effects and
Corrosivity of Commercial Espresso
Machine Chemical Cleaners (1994)

Our tablets (1.2g and above) will work well with **any brand of machine**, as long as the tablet can get into the brew unit through the grounds chute or designated tablet entry point the tablets will effectively clean and remove coffee oils and residue from the brewing chamber during any brew unit cleaning process.

Any questions about use or suitability of tablets please call us on 1300 724 249

0.5 gram tablet

This smaller tablet suits Nuova Simonelli microbar.

Part Numbers: CMTABS25.05, CMTABS30.05, CMTABS60.05 & CMTABS100.05

Diameter: 10.0mm
Weight: 0.5grams

NB: the number (25, 30 60 & 100) represents how any tablets are in the jar

1.2 gram tablet

There are 2 types of 1.2g tablet. The first is a wider diameter tablet with a thinner profile (we indicate this code by using **F** after the part number). Some manufacturers prefer this (eg WMF1400 & Schaerer).

Part Numbers: CMTABS30.F, CMTABS60.F, CMTABS100.F

Diameter: 15.1mm
Weight: 1.2grams

The second tablet is a slightly smaller diameter & thicker tablet. It was developed to fit in a broad range of brew unit chutes and be less prone to breaking in shipping than the thinner alternative. Under testing this tablet works equally as well in cleaning the brew unit without detriment to the machine.

Suits: Concordia, Swiss Egro, Reneka, Schaerer, WMF 1400, Stentorfield, Maccio

Diameter: 12.0mm
Weight: 1.2grams

Part Numbers: CMTABS30.1.2, CMTABS60.1.2, CMTABS100.1.2

2 gram tablet

The 2g tablet is by far the most popular and most suited to a wide range of machines.

Part Numbers: CMTABS10, CMTABS30, CMTABS60, CMTABS100, CMTABS200 - CMTABS8BL & CMTABS32BL (both blister packs)

Diameter: 15.0mm
Weight: 2.0grams

Suits: Astra, CMA, Della Corte, DeJong Duke/Filterfresh, Elektra, Franke, Miele, Jura, Saeco, Melitta/Cafina, Rex Royal, Wega, Sunbeam, Delonghi, Thermoplan Tiger, Solis, Krups, La Cimbali, Carimali

3.6 gram tablet

This larger tablet suits Thermoplan Black and White, WMF Bistro, Cafina Melitta, Astoria, Azkoyen & ECM

Part Numbers: CMTABS100.3 - other quantities available on request

Diameter: 20.0mm
Weight: 3.6grams
