

TRAVEL TUMBLER

16oz | 473mL

If you've ever found your traveling coffee or tea mug upside down at the bottom of your bag (facepalm), you'll make quick friends with the MiiR Travel Tumbler. Beyond saving you from the hassle and danger of spills, the Travel Tumbler delivers on materials and design, from the durability of 18/8 stainless steel to the reliability of Thermo 3D® double-wall vacuum insulation.

Features & Technology

- Thermo 3D® double-wall vacuum insulation; stays hot, keeps cold, doesn't sweat
- For the long flight or drive. Also doubles as your trusted water bottle.
- Leakproof, insulated lid
- Laser-etched Give Code™ on product base unlocks trackable giving journey
