

## Stainless Servers + Travel Mugs

Double-walled to maintain your brew at the optimal temperature, the Hario V60 Insulated Stainless Steel Servers will keep your pour over hot and your slow drip cold.

These servers are designed to fit perfectly under a V60 dripper, and they are available in 02 (600ml) in Black, White, or Red or 03 (800ml) in Black.

**600ml - Black**  
VHS-60B

**600ml - White**  
VHS-60W

**600ml - Red**  
VHS-60R

**800ml - Black**  
VHS-80B

### Soto to-go

Available in Black or Silver, the V60 Soto Travel Mug enables you to carry freshly-brewed hot or cold coffee with you wherever you go without compromising on temperature with its double-walled insulation.
